

Wholesale solar power supply in Botswana

Why should you buy solar panels in Botswana?

Installing a solar photovoltaic (PV) system customized to your energy usage allows you to take control of electricity costs while doing your part for the planet. You have a look at our products if you want to buy Solar Panels in Botswana.

What is Solar City Botswana?

Solar City Botswana (Pty) Ltd was established in 2016 to source and develop renewable energy projects for borehole, irrigation systems, residential, and commercial solar photovoltaic markets. Home - Solar City Botswana The home of quality Solar Products +267-3118-908 About Us

Does Botswana have solar energy?

Botswana has abundant solar energy resources, receiving over 3,200 hours of sunshine per year with an average insolation on a horizontal surface of 21MJ/m², one of the highest rates of insolation in the world. It is essential to take advantage of the abundance of this resource.

Why should you invest in solar in Botswana?

Investing in solar through Apex Mart helps secure your financial future while advancing Botswana's renewable energy landscape. DIYers can purchase individual solar components from Apex Mart to self-install PV systems. We stock a wide selection of standalone panels, controllers, inverters, batteries, racking, and solar balancing equipment.

How long do solar panels last in Botswana?

Today's solar panels are built to last. Made of reinforced glass and durable polymers, they can withstand extreme Botswana weathering including high winds, intense heat, dust storms, and heavy rainfall. Performance warranties of 25-30 years from leading manufacturers demonstrate faith in long-term reliability and return on your solar investment.
